

If an electric breast pump was purchased within the previous 12 month period, the purchase of another electric breast pump will not be covered until a 12 month period has elapsed since the last purchase.

Breast pump supplies and accessories

Eligible health services include renting or buying equipment you need to pump and store breast milk.

Coverage for the purchase of breast pump equipment (including a hospital grade breast pump and double breast pump kit) is limited to one item of equipment, for the same or similar purpose, and the accessories and supplies needed to operate the item. You are responsible for the entire cost of any additional pieces of the same or similar equipment you purchase or rent for personal convenience or mobility.

Family planning services – female contraceptives

Eligible health services include all FDA-approved contraceptive drugs, devices, and other products for women including over-the-counter (OTC) prescribed by your **provider and any follow-up care**.

Counseling services

Eligible health services include counseling and education services provided by a **provider** on contraceptive methods, management of side effects or adherence. These will be covered when you get them in either a group or individual setting.

Contraceptives

Eligible health services include contraceptive **prescription drugs** and devices (including any related services or supplies) when they are provided by, administered, or removed by a **provider**.

Voluntary sterilization

Eligible health services include female voluntary sterilization procedures and related services and supplies. This also could include tubal ligation and sterilization implants.
